

Dear EDPB!

Please kindly double check, if paragraph 188 should be moved to the section about “manifestly unfounded” requests, rather than “excessive” one.

Please kindly refer also to the classification of ICO - <https://ico.org.uk/for-organisations/guide-to-data-protection/guide-to-the-general-data-protection-regulation-gdpr/individual-rights/right-to-object/>

Sincerely,
Aleksandrs
